12. _____

Scott really wanted to be the first person to reach the South Pole. He didn't do it, but he still a hero for many British people.

13. _____

In 1910 Scott tried to reach the South Pole with four other men. They arrived on January 18th, 1912. But they weren't the first to reach the Pole. Roald Amundsen from Norway was there three weeks before them. Scott wrote: "It is a terrible disappointment It will be a difficult return."

14. _____

In fact, Scott and his men never returned. They all died, hungry and very tired, from frostbite. Scott and others didn't know it, but they were only 20 km from rescuers when they died.

15. _____

Scott was very brave. But he made mistakes, and was unlucky with the weather. Amundsen used dogs to pull the sledges, but Scott used men. Also, Scott and his men ate very little, and they ate the wrong food. They became ill with scurvy because they didn't eat any fruit or vegetables.

TASK IV Read the following surprising facts about some famous people. Then write the correct word or figure in each blank in the conversations.

Queen Isabella of Spain was born on 22 April 1451. She helped Columbus and gave him ships and men to sail across the Atlantic Ocean. As a result, Columbus discovered the New World. However, all the ships and men cost less than two parties she gave!

Louis Braille invented a way for the blind to read. This great man was born on 4 January 1809. Another great inventor, Thomas Edison, liked reading books written in Braille more than books in normal print, even though he could see perfectly well!

The Norwegian explorer, Roald Amundsen, was born on 16 July 1872. Roald Amundsen was the first man to reach the South Pole. When he set out from Norway, however, everyone thought that he was on his way to the North Pole.

Einstein was born in Germany on 14 March 1876. He was one of the greatest scientists and most intelligent men in the world. However, he failed the entrance examination for the Federal Polytechnic of Zurich when he was a young man!

16. In which year was Queen Isabella of Spain born?	In _____
17. Who was born in 1809?	_____
18. Who was born four years after _____?	Einstein
